I presume the 'cut off' is the date that the ATI request came in? If not then this one probably needs adding to the list. Also it would be worth a check with enquiries team in case anything else has come in through general routes? [REDACTED]

Dear Sirs,

We have recently launched our public consultation about our project to return Golden Eagles back to Snowdonia. As part of the consultation process, we will be holding a series of public events which will allow us to engage and consult with local communities and stake holders.

The first such drop-in event will take place on Friday 4th September 2020 at Zip World Fforset, A470, Betws-y-Coed, LL24 0HX. Drop in between 2- 4 pm.

We really want to take this opportunity to meet as many people as possible so we would be grateful if you could inform your members and colleagues about this event. We have attached an electronic poster for the event and please feel free to distribute this as you see fit.

This is the start of an open dialogue with communities and stakeholders so please feel free

to contact us directly at any point using this email address. The project lead [REDACTED]
[REDACTED] can also be contacted directly on [REDACTED].

We look forward to hearing from you and thank you in advance for your assistance in this matter.

Best Wishes,

[REDACTED]
